

PDDNI O'Sullivan Recognized as Innovator Amongst Women in Tech

Principal Deputy Director of National Intelligence Stephanie O'Sullivan was honored by Women in Technology this past Thursday with the 2016 Women in Technology Leadership Award in the Government Service category. WIT's Annual Leadership Awards celebrate innovative women in the technology industry who are advancing diversity and inclusion within their sphere of influence. Pictured are Women in Technology President, Lisa Dezzutti, PDDNI Stephanie O'Sullivan and newscaster Maureen Bunyan. (Photo credit: Women in Technology).
